REVIEW OF MINUTES

The group reviewed minutes of the December 3rd, 2025 meeting.

UPDATES

The group discussed main takeaways from the January 9th Field Trip. Staff also informed the committee that they were working on scheduling a meeting with Deaf Community Stakeholders.

FUTURE LAND USE MAP (FLUM)

Mr. Cockrell shared the latest draft of the FLUM which had been revised since the field trip. The committee suggested a few minor changes to the map that had not been discussed at the field trip specifically related to the heritage farmland designation and location of the new mixed use designation around commercial corridors.

ONLINE TACTICS SURVEY

Mr. Cockrell shared results from the online tactics survey, which asked respondents to rank the same tactics that were displayed at the November Open House. Ms. Taylor informed the committee that staff would be doing an in depth review of the tactics and would share a draft with the committee once staff review was complete.

NEXT STEPS

Ms. Taylor informed the committee that staff would be doing an in-depth review of the tactics and would share a draft with the committee once staff review was complete. The plan is on track to be presented in late spring.
