SOLE SOURCE PROCUREMENT

May 18, 2021

The City of Staunton decided to award a sole source award to Demtech Voting Solutions, Inc for the purchase of hardware and software upgrades to the existing voting system. The City's current system is produced and manufactured by Demtech Voting Solutions and they are the only company that can provide these services. These upgrades are required by the Commonwealth of Virginia.

The City of Staunton intends, therefore, to enter into a contract with Demtech Voting Solutions immediately to provide these components.
