

PUBLIC NOTICE

SOLE SOURCE PROCUREMENT

August 9, 2021

The City of Staunton has decided to award a sole source award to Rhythm Engineering for hardware and software upgrades to the City's existing traffic control system. The City's current system is produced and manufactured by Rhythm Engineering and they are the only company that can provide these components and services.

The City of Staunton intends, therefore, to enter into a contract with Rhythm Engineering immediately to provide these components and services.

Respectfully submitted,

A handwritten signature in black ink, appearing to be "C. Horvat", with a large, stylized flourish.
