Watch Out For Scams!

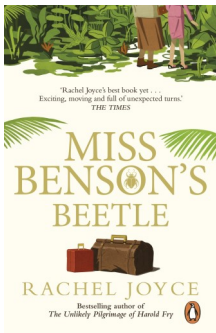

Scammers may be trying to obtain your bank account information by saying they are calling from the IRS or social security office. These are most likely fake calls trying to steal your money! Never give out personal information over the phone to people who call you. If you think someone may be trying to scam you over the phone, write down their phone number and say you will call them back. Ask a trusted friend, family member, church friend, non-emergency police, neighbor, or your local library for assistance!

The Talking Book Center will be closed on June 20 in honor of Juneteenth; a national holiday celebrating the emancipation of America's enslaved.
