DB55748 The Devil In The White City: Murder, Magic, And Madness At The Fair That Changed America by Erik Larson

The author traces the crimes of Dr. H.H. Holmes, a serial killer who preyed on young women during the 1893 Chicago World's Fair in the amazing landscape that architect Daniel H. Burnham created in a mere two years. Bestseller. 2003

*Reader Advisor note: This book does not contain graphic violence but has some gruesome descriptions. It is a very well researched historical non-fiction book otherwise.
