I would like to be a voice for the residents of our city and also be involved in decisions that are made for the city.

* Please indicate areas of your experience and knowledge that you see as important for consideration of your application for appointment:

Since I have lived here all of my life except for 3 years that I was in Washington and in Germany, I feel like I have quite a bit of knowledge concerning some of the issues that the city has had over the years. My late husband had a business here in Staunton until he passed away in 2004 and he was very involved with the politicians here in the city. He also had built quite a few relationships with the residents of the city.

I have been an account manager with a local insurance company for 34 years here in the city. I would like to think that I could be an asset.
