PROJECT DESCRIPTION

I. BACKGROUND

In 2009, the City and the EDA completed negotiations to acquire the Western State Hospital campus from the Virginia Department of Behavioral Health and Developmental Services (DBHDS). In 2013, the EDA assumed total control of the site.

The following year, the City began construction on a new \$1.8 million boulevard to serve as the main entrance. In 2015, the City and EDA began site preparation by demolishing a 3-story, 30,000 square foot building and relocated a smaller state-operated building for the initial phase of future development. In 2016, the front 30 acres was sold to local developers for commercial development, and a couple of years later, the Hilton Tru and Marriott Fairfield Inn hotels opened their doors.

In January 2021, the demolition of 19 buildings and the removal of 17 above and underground tanks began. The project was completed in June 2022. Plans are to continue to facilitate private re-development of the property following these efforts.

In addition to the above-mentioned efforts, the City was awarded an \$8.7 million VDOT Smart Scale grant to extend Crossing Way through the Staunton Crossing to connect to Valley Center Drive providing a new transportation network to support planned economic development. Construction begins September 2022.

The Commonwealth Center for Children and Adolescents facility is not a part of Staunton Crossing nor is it a component of the project.

II. CONTRACT PERIOD

The contract shall cover the period from approximately July 24, 2023 through July 23, 2024.

The City reserves the option to renew this contract for four (4) additional one-year periods ending July 23, 2028. Unless notified in writing thirty (30) days prior to the expiration date, the contract will automatically renew during these periods.

Initial rates and subsequent renewal rates must be guaranteed for a minimum of twelve (12) months. Any increase in rates shall be negotiated with the City; however, the renewal rate shall not exceed the Consumer Price Index for all Urban Consumers (CPI-U)–Other Goods and Services (unadjusted for the current 12-month period). Any increase in rate must be submitted sixty (60) days prior to contract renewal. The City does not guarantee approval of any rate increase.

PROCUREMENT GUIDELINES

A. CHARGES AND PAYMENTS

1. To Prime Contractor:

- a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the purchase order number.
- b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after satisfactory invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
- c. All goods or services provided under the contract, which are to be paid for with public funds, shall be billed by the contractor at the contract price, regardless of which public agency is being billed.
- d. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
- e. Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the City of Staunton shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve City of Staunton of its prompt payment obligations with respect to those charges which are not in dispute (Code of Virginia, § 2.2-4363).

2. Payment to Subcontractors:

- a. An offeror awarded a contract under this solicitation is hereby obligated:
- b. To pay the subcontractor(s) within thirty (30) days of the offeror's receipt of payment from the City of Staunton for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or
- c. To notify the agency and the subcontractor(s), in writing, of the offeror's intention to withhold payment and the reason.
- d. The offeror is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the offeror that remain unpaid thirty (30) days following receipt of payment from the City of Staunton, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U.S. Mail is deemed to be payment to the addressee.

These provisions apply to each sub-tier contractor performing under the primary contract. An offeror's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the City of Staunton.
