

Pickleball at Montgomery Hall Park

Staunton Parks and Recreation opened up four outdoor pickleball courts at Montgomery Hall Park in October 2015. In the spring of 2023 two additional pickleball courts have been lined on a new tennis court with two moveable temporary pickleball nets allowing for a total of 24 people to participate in pickleball play on all pickleball courts. Courts are open on a first come, first serve basis. Equipment will not be supplied; participants must supply their own equipment.

Looking for some times that people play? There are two ways to connect. Download the [Pickleup](#) app on Iphone or Android and search for Montgomery Hall Park to find currently scheduled play times. You can also join our facebook group at **Staunton Pickleballers** to ask questions on times of play and interact with people in our pickleball community.

For people who are visiting Staunton please be on the lookout for our future Facebook page where we intend to post times that groups are scheduled to play during your stay here in Staunton
