

PUBLIC NOTICE

SOLE SOURCE PROCUREMENT

August 31, 2023

The City of Staunton has decided to award a sole source procurement to Priority Dispatch Corporation to provide emergency medical dispatch (EMD) services and equipment to the Staunton Police Department.

Priority Dispatch Corp. is the only vendor who currently provides an integrated and multifaceted compilation of EMD equipment, software, services, training, and certification; the utilization of which will significantly increase dispatcher efficiency and effectiveness in emergency situations, conceivably saving valuable time and increasing the likelihood that the proper care is being administered to the 911 patient prior to the arrival of first responders.

After researching, the Staunton Police Department has determined that Priority Dispatch Corp. is the only company that meets or exceeds all of their needs.

The City intends to enter into a purchase agreement with Priority Dispatch Corp. effective immediately.

Respectfully submitted,
