DB11843 A Capitalist Romance: Singer And The Sewing Machine by Ruth Brandon

DB101229 Iron Empires: Robber Barons, Railroads, And The Making Of Modern
America by Michael Hiltzik

Examination of the American railroad industry and prominent personalities from the completion of the Transcontinental Railway in 1869 to the opening decade of the twentieth century. Topics include the impact of railroads on the industrialization of the US and effects of capitalism and concentrated wealth. Some strong language. 2020.

DB25005 Entrepreneurs Of The Old West by David Dary

A history of the nineteenth-century entrepreneurs who sought adventure and wealth on the American frontier. Relates the adventures as well as the business practices of the largely unknown and unsung trappers, traders, wagon freighters, merchants, cattlemen, railroaders, land promoters, and other early capitalists who contributed so much to the taming of the Old West. 1986.

DB59641 Steam: The Untold Story Of America's First Great Invention
by Andrea Sutcliffe

History of the invention of the steamboat. Covers the competition between James Rumsey and John Fitch to launch a steam-powered boat in the 1790s, long before Robert Fulton's reputed invention in 1806. Highlights the politics involved and the importance of the steamboat to the development of the American west. 2004.

DB99106 Civil War Barons: The Tycoons, Entrepreneurs, Inventors, And
Visionaries Who Forged Victory And Shaped A Nation by Jeffry D. Wert

An examination of the influence of high-profile industrial barons on the American Civil War to sustain troops, affect military strategy and tactics, refashion America's economy, and more. Profiles individuals such as John Deere, Gail Borden, the Studebaker brothers, and Robert Parrott. 2018.

DB16490 The Robber Barons; The Great American Capitalists, 1861-1901
by Matthew Josephson

History of the American capitalists who became commanders of industry, banking, and government after the Civil War. Includes the Vanderbilts, Rockefellers, Jay Gould and other financiers. 1934.
