

ACCEPTABLE VOTER IDENTIFICATION CHART

All voters casting a ballot in-person will be asked to show one form of identification. Any voter who does not present acceptable identification may instead sign a statement, subject to felony penalties, that they are the named registered voter who they claim to be. Any voter who does not present acceptable identification or sign this statement must vote a provisional ballot.

“Valid”: the document is genuine and is not expired for more than twelve months, except for a Virginia driver’s license or DMV-issued ID card, for which the expiration date should not be considered when determining its validity.
