Re: Augusta County Circuit Courthouse

Dear Chairman Shull:

It has been four weeks since my last letter to you, dated June 1, 2015. I and my colleagues on City Council had anticipated that by now we would have received a response, especially given that we accepted and honored the Board of Supervisors' financial conditions of April 8, 2015, with our \$5 million commitment. We hope that your Board will still honor its April 8 offer. In doing so, we can work together and potentially save County taxpayers tens of millions of dollars, laying the foundation for further cooperation and preservation of a deep, shared history.

We continue to await a substantive, written response from the Board and respectfully request the courtesy of such a response by July 9, 2015. Our meeting last week, during which County representatives and the Judge seemingly favored a particular outcome, and the written communications that followed the very next day, suggesting a different possibility, make the need for a written response—and the clarity that will come with it—all the more apparent.

Once a written response is received, I and my colleagues on City Council would be pleased to consider a joint meeting of City Council and the Board of Supervisors.

We look forward to hearing from you.

Sincerely,

A handwritten signature in cursive script that reads "Carolyn W. Dull".
