I. INTRODUCTION

Staunton City Schools (SCS or School Board), a Virginia public school division located in Staunton, Virginia, is seeking proposals from qualified and properly licensed architectural and engineering firms for the full range of architectural and engineering services, including but not limited to, all phases of design and construction (schematic design phase, design development phase, construction documents phase, bidding, negotiation and design compliance phase, and construction contract administration phase), and additional services as needed for the design related to the building expansion, renovation, and building and site improvements of the existing high school , and for any other facility improvements that may require like services (Project).

SCS also reserves the right to complete, at any time during this project, any portion(s), phases(s), or aspect(s) of the project itself or by using more than one architectural and/or engineering firm during any portion(s), phases(s), or aspect(s) of the Project. SCS may exercise its rights hereunder without having to reissue a RFP.

II. COMPETITIVE NEGOTIATION

The procurement method is competitive negotiation of professional services, in accordance with the Code of Virginia § 2.2-4302.2. This RFP indicates, in general terms, the nature of the program and services being sought for the Project. Each Offeror is to submit the proposal(s) that an Offeror believes would best suit the needs of SCS for this Project.

The specific requirements for the contents of the proposals are contained in this RFP. Offerors are encouraged to provide additional information not specifically identified as a requirement if that additional information enables the proposal to better suit the needs of SCS for this Project.

III. DESCRIPTION

SCS has determined the need to renovate and expand the current high school facility. The design concept will include aspects of 21st Century Learning education environment design concepts and energy efficiency. The high school facility improvement is not necessarily the result of projected increasing enrollment, but a current and future need for additional and larger and different classroom space, STEM (Science, Technology, Engineering, and Math) learning space, special education classroom space, CTE education space, administrative space, a larger improved cafeteria space, an additional gym facility, performing arts space, faculty/staff space, new and replace or repair of building mechanical systems, and improved traffic/parking areas for ingress and egress for the facility. The current student population of the high school is approximately 750 students. The design and improvements should be planned for a student population of approximately 1,000 students for future capacity.

The total Project costs for all A&E services, construction, inspection, site improvements, temporary classroom space, etc., is not anticipated to exceed \$40 million.

SCS completed a physical and space needs study in 2013 and 2014. The study outlined the condition of the existing building and recommended improvements and instructional design needs for a 21st Century education learning environment. The study is available for review; however, the successful offeror should not rely upon any past study, report or opinion(s), especially given evolving needs, and all offerors are expected to perform an independent evaluation to address SCS needs and to recommend building improvements and educational design concepts.

IV. SCOPE OF SERVICES

ESTIMATED PROJECTED TIMELINE FOR PROJECT:

1. A&E Services are expected to be completed by approximately February / March 2019.
2. Construction bids are expected to be received by approximately April / May 2019.
3. Construction to begin approximately May/June 2019.

The successful offeror shall perform a building assessment of the current high school facilities and determine and recommend the building infrastructure needs, improvements, and educational programming design concepts.

The successful offeror shall provide complete architectural and engineering services and all related services for the design improvements to Robert E. Lee High School.

The successful offeror shall be familiar with all aspects of the 21st Century Learning Concept design.

The successful offeror shall meet, as appropriate, with Staunton City School Board members and staff and provide ample public opportunities for stakeholder input and review in planning the design and Project scope as needed during the design phase.

The successful offeror shall provide construction estimates for the project during the course of design.

The successful offeror shall provide related services for other school building improvement projects, as requested.

IV. GENERAL REQUIREMENTS

To be considered for selection, offerors must submit a complete response to this RFP. Failure to submit all information requested may result in the rejection of the incomplete proposal.

One original and six (6) copies, and a digital copy of the complete proposal must be submitted to the City of Staunton Purchasing Office. Each copy of the proposal should be bound in a single volume to the fullest extent practical. All documentation submitted with the proposal should be bound in the same single volume.

Proposals must be received prior to 4:00 PM, local time, on November 20, 2017, by the City of Staunton Purchasing Department (hereinafter referred to as "the City" or "Staunton"). All submitted proposals shall be signed by an authorized representative of the offeror. Proposals may be mailed or hand delivered to the City of Staunton, Purchasing Department, 3rd Floor, 116 W Beverley St, Staunton, VA 24401. **Faxed or e-mailed proposals are not acceptable.** It is the offeror's responsibility to ensure that the proposal is received by the Purchasing Department prior to 4:00 PM, local time, on November 20, 2017. Proposals received afterwards on November 20, 2017, will not be accepted or considered. All proposals will be time and date stamped upon arrival.

All proposal envelopes must have the company name on the outside of the envelope and be clearly marked as "**RFP A&E SERVICES HIGH SCHOOL**". If proposals are to be delivered by a third party (i.e. FedEx, UPS), it is the responsibility of the offeror to be sure the outer most envelope is clearly marked the same. SCS will not be responsible for proposals that are opened prematurely or late due to improper identification.

Offerors must address and provide each item in Scope of Services. Offerors shall respond to each item individually with "agreed", "will comply" or provide a satisfactory explanation of any variance from the request. Such variance(s), in themselves, will not eliminate the proposal from consideration, but will be evaluated along with consideration of other selection criteria. Failure to answer any requirement within this Scope of Services MAY subject the entire proposal to rejection.

Prior to submitting a proposal, it is the offeror's responsibility to check the City's website (<https://www.ci.staunton.va.us/departments/finance/procurement>) for any addenda associated with this RFP.

Any costs or expenses of any kind incurred by an offeror in preparing or submitting proposals are the offeror's sole responsibility; SCS will not reimburse any offeror for any costs or expenses incurred as a result of the preparation of this RFP.

Proposals should be as thorough and detailed as possible so that the SCS may properly evaluate the capabilities of respective firms to provide the required services. Offerors are required to submit the following items for a complete proposal:

- A. A statement of the offeror's understanding of the work to be performed.
- B. Information as to the offeror's background and experience relative to these services being required.

- A. **APPLICABLE LAWS AND FORUM SELECTION:** This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia, without reference to conflict of laws principles or rules of construction, and any litigation or proceeding with respect thereto shall be brought and maintained solely in the Virginia state courts of the City of Staunton. The contractor shall comply with all applicable federal, state and local laws, rules and regulations.
- B. **ANTI-DISCRIMINATION:** By submitting proposals, offerors certify to SCS that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, when applicable, the Virginians With Disabilities

If the award is made to a faith-based organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender, or national origin and shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds; provided, however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (*Code of Virginia*, § 2.2-4343.1E).

In every contract over \$10,000 the provisions in 1. and 2. below apply:

1. During the performance of this contract, the contractor agrees as follows:
 - a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 - b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.
 - c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting these requirements.
 2. The contractor will include the provisions of 1. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.
- C. **ETHICS IN PUBLIC CONTRACTING:** By submitting proposals, offerors certify that their proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.
- D. **IMMIGRATION REFORM AND CONTROL ACT OF 1986:** By entering into a written contract with SCS, the Contractor certifies that the Contractor does not, and shall not during the performance of the contract for goods and services for SCS, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.
- E. **DEBARMENT STATUS:** By participating in this procurement, the offeror certifies that they are not currently debarred by the Commonwealth of Virginia or SCS from submitting a response for the type of goods and/or services covered by this solicitation. Offeror further certifies that they are not debarred from filling any order or accepting any resulting order, or that they are an agent of any person or entity that is currently debarred by the Commonwealth of Virginia or SCS.
- F. **ANTITRUST:** By entering into a contract, the contractor conveys, sells, assigns, and transfers to SCS all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the SCS under said contract.

G. CHARGES AND **PAYMENTS—GENERAL:**

1. To Prime Contractor:

- a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
- b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after satisfactory invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
- c. All goods or services provided under the contract, that are to be paid for with public funds, shall be billed by the contractor at the contract price, regardless of which public agency is being billed.
- d. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
- e. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, SCS shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. The provisions of this section do not relieve SCS of its prompt payment obligations with respect to those charges which are not in dispute (*Code of Virginia*, § 2.2-4363).
- f. **Contractual Claims or Disputes Process.** SCS and any offeror each hereby waive all right to trial by jury in any matter arising out of or in any way connected with a contract or their relationship, whether contractual or extra-contractual. They agree that prior to the assertion of any claim against the other, they will endeavor to resolve the claim through discussion, including the optional use of non-binding mediation. Absent agreed resolution, the process to assert a claim against SCS is to present it in writing to the Appropriate Department Director or SCS Division Superintendent; and absent acceptance of the decision of the Department Director, Division Superintendent or designee and ultimately the Staunton City School Board with each such appeal to be submitted in writing within 10 calendar days of prior decision, identifying in writing on what specific basis, with citation to controlling and supporting documentation and legal authority, the appeal is sought and challenge made to the prior decision and the resolution or remedy which would be acceptable. With any claim that reaches the Staunton City School Board, the School Board shall decide the claim within 60 days of when it was submitted to the School Board.

2. Payment To Subcontractors:

- a. An offeror awarded a contract under this solicitation is hereby obligated:

- (1) To pay the subcontractor(s) within thirty (30) days of the offeror's receipt of payment from SCS for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or
 - (2) To notify the agency and the subcontractor(s), in writing, of the offeror's intention to withhold payment and the reason.
 - b. The offeror is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the offeror that remain unpaid thirty (30) days following receipt of payment from SCS, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. An offeror's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of SCS.
- H. **PRECEDENCE OF TERMS:** The following General Terms and Conditions, APPLICABLE LAWS AND COURTS, ANTI-DISCRIMINATION, ETHICS IN PUBLIC CONTRACTING, IMMIGRATION REFORM AND CONTROL ACT OF 1986, DEBARMENT STATUS, ANTITRUST, PAYMENT shall apply in all instances. In the event there is a conflict between any of the other General Terms and Conditions and any Special Terms and Conditions in this solicitation, the Special Terms and Conditions shall apply unless contrary to express law.
- I. **QUALIFICATIONS OF OFFERORS:** By submitting a proposal, an offeror authorizes SCS to make such reasonable investigations with the offeror and with any third party, as deemed proper and necessary in the sole discretion of the SCS to determine the ability of the offeror to perform the services under this RFP, and the offeror also authorizes the third party to provide any information requested by SCS, even if the information is adverse to the offeror. SCS reserves the right to inspect offeror's physical facilities and previous work and record prior to award to satisfy questions regarding the offeror's capabilities. SCS further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror fails to satisfy SCS that such offeror is fully qualified to carry out the obligations of the contract and to provide the procured services in all respects.
- J. **TESTING AND INSPECTION:** SCS reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.
- K. **ASSIGNMENT OF CONTRACT:** A contract shall not be assignable by the offeror in whole or in part without the written consent of SCS.
- L. **DEFAULT:** In case of failure to deliver goods or services in accordance with the contract terms and conditions, SCS, after due oral or written notice, may procure them from other sources and hold the offeror responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which SCS may have.
- M. **TAXES:** Sales to SCS are exempt from State sales tax. State sales and use tax certificates of exemption, Form ST-12, will be issued upon request, as SCS determines appropriate. Any deliveries under this contract shall be free of Federal excise and transportation taxes.

1. Workers' Compensation - Statutory requirements and benefits. Coverage is compulsory for employers of three or more employees, to include the employer. 4. Automobile Liability - \$1,000,000 combined single limit. (Required only if a motor vehicle not owned by SCS is to be used in the contract. Offeror must assure that the required coverage is maintained by the Offeror (or third-party owner of such motor vehicle.)

6. Excess liability insurance umbrella form of not less than \$2,000,000, or such other insurance as is satisfactory and may be approved by SCS in its sole discretion.

Prior to the cancellation of the above described policies before the expiration date thereof, the issuing insurer shall mail 10 days' notice of the impending cancellation to SCS.
