

***Did you know*** that the Board & Meeting Rooms at the Staunton Public Library hosts roughly 1,500 programs per year!? These rooms are utilized by a range of groups including both ends of the Political spectrum, Non-Profit Organizations, Community Hobby Groups, Veterans Groups, Support Groups and so many more! The Staunton Public Library is a place to discover, learn, have fun, explore, investigate, play, relax, try new things, research, connect and succeed!

Now is your chance to help the Library do what it does best: help the community.

This 501(c)(3) Organization is looking for sponsors to help fund a makeover for the 100 chairs utilized in the Board & Meeting Rooms. The cost is \$60 per chair. Your tax deductible sponsorship will not only encourage folks to Get Lost in the Books but will earn you an acknowledgement in the Friends of the Staunton Library quarterly newsletter and the appreciation of the 3,000-6,000 library patrons who benefit from the programs offered. If you're interested in giving back to the community please complete the attached contribution form and return it, along with a check for your sponsorship to:
