The Honorable Emmett W. Hanger, Senator
Commonwealth of Virginia
P.O. Box 2
Mount Solon, VA 22843

Dear Emmett:

Please accept our sincere thanks, again, for joining our Staunton City Council members at the December Council meeting. We certainly also appreciated John Avoli's attendance. We realize you both were busy as you readied for another legislative session.

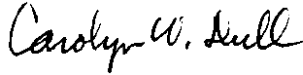

I'm aware of Doug Guynn's recent letters to you and John. Let me, please, add my voice.

While Doug has the prerogative to express his views as he thinks best in his legal role, my own request is simple: Please keep our Council informed and oppose any further effort to introduce or advance any related special legislation that would seek, in effect, to change the law—the rules—retroactively. I believe such legislation disserves our City, our citizens, and our judicial system, as Doug has highlighted in his letters, particularly with litigation pending and the respected presiding judge having ruled.

I'm glad to talk with you at any time. And I hope that you and John would let our Council know well in advance of any legislation that would impact our City.

I appreciate your time and consideration. Thank you.

Respectfully,

Carolyn W. Dull
